Tail end of sevral days hard rain

Ph meter recalibrated
After large storm, flood conditions.

Fires in the interior are creating smog in our area.

Municipal Crew Changed top row of stop logs somewhere between reading but readings of temp defately was felt at hatch

A moderate volume of water is leaking through the stop logs on the weir.

Municipal Crew took center stop logs out of the weir and lifted the rest and tied them up and dumped all of haslam like with out saying a word to no one . We had to pull our fence out of the water and lost our fish count because of site excess water
